FILLINGS & TOPPINGS

Hendami Trading Co. importing various products which can support the bakery industry. The product portfolio consists of a wide-range of bake stable fruit fillings, icing bases, toppings and fruit flavorings and other other functional ingredients used in the manufacturing of donuts, muffins, brownies, pastries, and sweet goods.

FILLINGS & TOPPINGS

SAUCES & FOOD COLORS

We Hendami Trading Company are the wholesale supplier and importers of Cooking Oil in the region, which we all use regularly. From small sectors to big industries, we deliver our best quality Cooking Oil to different corners of the Kingdom's general stores, the food industry, departmental stores, retail shops, etc.

FLEXIPAN SHEET

We supplies various kinds of Flexipan Non-Stick Silicone Molds. Flexible molds do not have to be greased and will still unmold without breakage. It has a longer life, making it possible to use them two or three thousand times before the first signs of sticking. The ease of cleaning also makes these flexible bakeware such a desirable tool. It can beuse as cooking and refrigerating savory or sweet products.

PAN RELEASING AGENT

It is an ideal and economical baking lubricant to ease of removal of baked goods from trays. It is neutral in taste that will not contribute any taste or flavor the final baked goods.

VINYL GLOVES

Disposable gloves and Cling film are useful in Food industries. People who work in the food and beverage industry use disposable gloves on a regular basis to prevent the spread of germs & keep consumables from becoming contaminated. But what many food service workers don't realize is that some types of disposable gloves are more suited to their line of work than others. Here we supplies a various kinds of disposable gloves and cling fims according to food industry use.

Our strategic partnerships with glovbally wellknown Food service companies enable us to expand our best service offerings and provide solutions to our clients.
